The Honorable Rosa DeLauro

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Sumner Daycare and Learning Center, as a community project in fiscal year 2024.

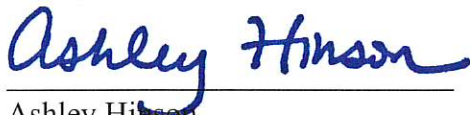

The entity to receive the funding for this project is the Sumner Daycare and Learning Center, Inc., located at 601 W 5th St., PO Box 301, Sumner, IA 50674.

This funding would enable Sumner Daycare to construct their own stand-alone facility in the community to provide quality, accessible child care; with this new facility, they would be able to hire more staff members, serve over 100 children, meet the needs of the rural community and workforce, and assist low-income working families. Sumner, Iowa, lies in a three-county rural area with a population of 2,032 and is located in a rural child care desert. There is strong community support for this request.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ashley Hinson
Member of Congress
